Student Presentation Competition

Graduate and undergraduate students are cordially invited by ASTM Advanced Manufacturing Center of Excellence (AM CoE) to participate in the student presentation competition that will be held in conjunction with ASTM International Conference on Advanced Manufacturing (ASTM ICAM) on **October 30 – November 3, 2023**, at the Hyatt Regency on Capitol Hill in Washington D.C.

Interested students are required to prepare and submit their abstracts no later than **March 1, 2023**. The abstract title should be no more than 10 words and the abstract itself is limited to 150 words. In addition, each participating student will receive:

- Discounted registration to attend conference sessions and social events to network with additive manufacturing experts from academia, industry, and government
- One-year free membership in ASTM International

1st Place	2nd Place	3rd Place
		
\$1,000 (Plus Plaque)	\$800 (Plus Plaque)	\$500 (Plus Plaque)

The number of students approved for this competition will depend on the quality of the submitted abstracts and availability of sponsor funds.

Students may only submit abstracts to the Student Presentation Competition symposium for consideration.
