

ICAM 2025

OCTOBER 6-10, 2025
WESTGATE LAS VEGAS
RESORT & CASINO

icam@astm.org

SPONSORSHIP PROSPECTUS

ASTM International Conference on Advanced Manufacturing

Hosted by the ASTM Additive Manufacturing Center of Excellence (AM CoE) and supported by over a dozen ASTM technical committees, ICAM bridges research and application through standardization.

This conference invites professionals from industry, academia, and government to discuss the current and future state of:

- Industry standards
- Design principles
- Qualification and certification
- Innovations in advanced manufacturing
- Materials and processes
- Data management, sharing, and analysis
