International Conference on Advanced Manufacturing Research to Application through Standardization

October 6-10 | Las Vegas, NV

ICAM 2025 Student Presentation and Poster Competition

All full-time/part-time graduate and undergraduate students are cordially invited by the ASTM Additive Manufacturing Center of Excellence (AM CoE) to participate in the Student Presentation and Poster Competition that will be held in conjunction with the ASTM International Conference on Advanced Manufacturing (ICAM 2025) on October 6-10, 2025, at the Westgate Las Vegas Resort & Casino in Las Vegas, NV.

Submit Your Abstract by March 28:

Students are invited to showcase their innovative research at ICAM 2025! Share your research insights by submitting your abstract to any of the 3 submission categories below.

IMPORTANT Students can only submit two abstracts in total. Each abstract must be submitted to a different student category (e.g., each student cannot have 2 abstracts submitted to the Poster Competition).

Student Presentation Categories

1. Student – Oral Presentation Competition

- Consists of 2 evaluation rounds.
 - i. Round 01 – Preliminary Evaluations (Virtual)
 - ii. Round 02 – Final Evaluations (In-Person)
- Accepted abstracts will proceed to the Preliminary Evaluations (Round 01).
- Submit a 15-minute recording of your presentation for evaluation.
- Shortlisted abstracts (Top 20) will be selected to present in-person in front of a panel of judges at the prestigious Student Oral Presentation Competition (Round 02).
- Abstracts not shortlisted will be re-allocated under the Student Oral Presentation Sessions, where students can still give a non-evaluated oral presentation in-person during ICAM.

2. Student – Poster Competition

- In-person poster presentations during the ICAM week.
- Students will be required to be available at a designated time to present their posters.
- Judges will be present during this time to evaluate the poster presentations.
- Resources (instructions, guidelines, templates, etc.) will be provided at a later date.

3. Student – Oral Presentation Sessions (Non-Competing)

- In-person oral presentations during ICAM week that will not be evaluated for competition.
- Abstracts submitted to the Oral Presentation Competition that have not been shortlisted after Round 01 will also be re-allocated here.
